## Dysart Home and School Assoc.

The October meeting of the Dysart Home & School Assoc. was held in the Auditorium of West Guilford School. The meeting opened with prayer by Rev. Lorimer after which followed the Home and School Creed read by Mr. K. Plourde.

The minutes of the September meeting were read & adopted.

A letter was read from the High School Board regarding the holding of meetings in the new High School. Permission was granted the Home and School Assoc. to hold meetings in the new building, subject to a \$5.00 fee payable to the janitor. A motion was passed to hold future meetings in the new High School with the exception of one in West Guilford and one in Eagle Lake.

The roll call by localities was taken and showed an attendance of: Haliburton 24; West Guilford 22; Eagle Lake 2; and Donald 0.

Miss Minnott, Health Convener, gave a very interesting talk on the effect environment can have on the development of our children.

Mrs. Oliver Higgins gave a short resume of the various magazines and periodicals available to Association members.

There will be an executive meeting in the old Public School on Nov. 2nd and the next regular meeting will be held in the New High School on Nov. 16th at 8:15 p. m. at which time the Coronation Scrapbooks will be on display.

A very interesting film entitled "Your Children and You" was introduced by the Programme Convener Mrs. W. Holland. A stimulating discussion followed the film.

The meeting closed with the singing of the National Anthem and an enjoyable lunch was served by the ladies of West Guilford.

## Troublesome Relative Gets Month To Ponder Actions

A Minden man who, according to police, causes trouble every time he visits his home town was sent to jail for a month Friday for assaulting his brother.

Accused appeared in Minden Court on Thursday charged with fighting, intoxication and malicious damage. The charge arose out of a tavern brawl in Minden.

Magistrate Gee dismissed the fighting charge but fined accused \$10 and \$2.50 costs of 10 days on the drunk count and suspended sentence for a year, levying costs of \$15.50 on the charge of malicious damage.

Thursday night according to police, accused stayed in Minden and visited his brother. Accused allegedly caused trouble at the home, assaulting his brother, damaging some of the furniture, breaking a window, & chasing his brother and his family out of their home. He was arrested by OPP Constable Allan Hardy, Minden.

Magistrate Gee convicted accused of the assault charge and sentenced him to 20 days in County Gaol. He added 10 days in default of payment of the drunk fine of the day before.

## THE WEEKLY ROUNDUP

A meeting of the Upper Canada Bible Society will take place in the Haliburton United Church on the evening of Wednesday, Oct. 28. A sound film will be shown portraying the work carried on by the society. The speaker for the occasion will be the Rev. H. E. Young, Field Secretary.

Come and be informed of the great work being carried on by this society.

As we go to press the weather is warm and dry and it is to be hoped that people who are roaming about in our forests will use every care to see that fires and cigarette butts are carefully extinguished.

On Tuesday, Oct. 27th and continuing thru Sunday, November 1st, the Rev. Abraham Kudra, Musician Vocalist and Evangelist will be conducting meetings in The Gospel Lighthouse (Pentecostal) Haliburton. See advertisement in this paper for further particulars.

We learn that during the Saturday night Bingo a number of cars were stripped of their gas caps. We understand that a closer watch will be kept in future in order to prevent an occurrence of this vandalism.

## WEDDING

### CLEMENTS — GREENHALGH

A quiet but pretty wedding took place in the Haliburton United Church parsonage on Tuesday evening, Oct. 13th, when Norma Greenhalgh of Toronto was united in marriage to Fred Clements of Haliburton. The double-ring ceremony was performed by the Rev. Thomas Rutherford.

The bride, who looked most charming in a gown of ice blue brocaded satin with black accessories and wearing a corsage of pink roses. She was attended by Mrs. Phurness Watt who was attired in a gown of robin egg blue with black accessories and wore a corsage of red roses.

Mr. Phurness Watt attended the groom.

Following the ceremony the happy couple and their guests were tendered a reception and buffet luncheon at Holiday Inn by Ray and Marion Arntfield who as usual proved to be excellent hosts.

Among those from a distance who were in attendance were the bride's mother Mrs. Burlie and sister Louise of Toronto.

After a short honeymoon trip Mr. and Mrs. Clements are taking up residence in Haliburton.

## To Our Correspondents

This poem, as a nice bouquet is sent by us just to convey Our thanks for being so adept,

Will Correspondents please accept.

We know you spend a lot of time

In writing weekly your by-line,

So when the week's news we review

We really say "hats off" to you.

You tell us weekly 'what's the score'

And that's what newspapers are for,

To tell our friends both far and near

Of daily happenings up here.

You tell us Mrs. Brown's away,

Gone to her sisters for a stay,

We hope the weather will be fine

So she can have a jolly time.

We learn that Mr. Smith is ill,

He's been moved to the hospital,

'Tis now we offer up a prayer

We hope his stay will be short there.

Your little columns so complete

Are to your fellows quite a treat,

To those who in far paths must roam

The Echo's like a note from home.

The human interest you display,

It's seen around you every day,

So as each week the news we read

We say "Hats off" to you indeed.

Mavis Noice.

## Driving Impaired, No Licence, Fined

A Minden Township man was fined \$75 and costs when he appeared in Haliburton County Police Court in Minden on Thursday last on two driving charges.

Magistrate E. A. Gee levied a fine of \$25 for driving while his licence was under suspension & ordered accused to pay another \$50 for driving while his ability was impaired.

## Minden Red Cross

The October Meeting of the Minden Branch of the Red Cross, was held at the home of Dr. Agnes Jamieson, with the following members present: Agnes L. Jamieson, O. Struthers, C. McInerney, Mrs. Wm. Ritchie, T. Brignall, Mrs. Wm. Welch, Mrs. L. Coburn, Miss S. Howard.

In the absence of president Stouffer, Dr. Jamieson presided and the minutes of the previous meeting were read and approved. A letter received from Olive Morrison, read by the secretary, expressed her thanks to the Minden Red Cross for sponsoring her attendance at the Red Cross Summer Instruction Course. She found this course very interesting as well as instructive and wishes to be of service, in Junior Red Cross Work in this section. Report was given of the supply of used clothing for four families, in need of same in the district. The Red Cross Executive wish to thank all those who so generously supplied same to our branch for distribution.

Cod Liver Oil Capsules will be supplied through the schools as in previous years, this being part of our Health Program. All School children will receive these capsules at school free of charge, however if the parents of any child receiving same, wish to re-imburse the Red Cross for this service, they may do so by increasing their donation at the time of the campaign for Funds in the spring.

Also available through the Minden Red Cross is milk for the schools. Any teacher interested in preparing cocoa soup or plain milk for those children having their lunch at school, should apply to the Minden Branch of the Red Cross for milk to be used for this purpose.

The workroom committee urgently need sewers. — There is a lot of simple sewing to be done and very few volunteers. Anyone interested in giving some assistance in this way, may contact Mrs. Wm. Welch — or call at her home on the second or fourth Thursday of each month. — You may work at sewing at her home or take articles to your own home to finish.

Any assistance you can give will be very much appreciated.

The meeting adjourned until Nov. 20/53 when we will meet at the home of Mr. O. Struthers.

A social half hour was spent with lunch before the members dispersed.

Publicity Chairman SYLVIA A. HOWARD

## Left Fire Burning At Fishing Camp Three Are Fined

Lindsay — William Waite, Arthur McCann and his brother Morris McCann of New Toronto were brought to court yesterday by the lands and forests department and were fined a total of \$27 for leaving a fire burning in Monmouth township while they went fishing. The costs amounted to an extra \$91 to pay the wages of firefighters.

The camp fire spread and burned over an area of five acres.

## 30 Is the Limit

Haliburton — We have been informed by Prov. Con. Gordon Langton that he will from time to time be checking the speed of cars travelling along that portion of the highway running from the post office corner in Haliburton to the first crossing — and the drivers of cars doing over 30 miles per hour will be prosecuted.

Some of the local rocket boys who regard this strip of highway as a speed way are due for a rude awakening as fines are to be the order of the day not warnings as heretofore.

Rev. Abraham Kudra Musician Vocalist Evangelist who will be at the Gospel Lighthouse (Pentecostal) from Tuesday, October 27th, to Sunday, November 1st.

## Hit Bridge, Fined \$10

A 23 - year - old Toronto youth, Eric Smythe, was fined \$10 and costs of \$18 by Magistrate E. A. Gee despite a defense put up by his father, Rollaws Smythe.

The youth was charged with careless driving after he crashed one end of a one-way bridge at Kinmount. He broke a leg, broke his nose, was knocked unconscious and did \$1,000 damage to his car. He said he fell asleep at the wheel.

Smythe Sr. presented blueprints and drawings to show that a new highway recently completed was much wider than the bridge, that motorists did not notice this at night, that a curve sign and a bridge sign appear at one side of the road and that the curve is actually after the motorist crosses the bridge.

He said he would appeal the case.

## Seven Receive Red Cross Degree

Black Knights from far & near filled the new Orange Hall in Haliburton to capacity on Sunday afternoon last when seven members received the Red Cross Degree.

Among the many distinguished guests present was Sir Knight Roland Darling, Grand Preceptor of Ontario East.

Other members of the order from Peterboro, Kirkfield, Minden, Reaboro, Gooderham, Lindsay, Oakwood, Norland, and Kinmount joined with the brethren from Haliburton to make this the largest meeting of its kind ever held in this county.

The Red Cross degree was put on by the Red Cross Degree Team of Peterboro.

At the conclusion of the meeting a sumptuous supper was served by the members of L. O. B. A.

**EDITORIAL**

**What's Happened to the Wharf?**

Oh where, oh where has our little wharf gone?  
 Oh where, oh where can it be?  
 Was it just a gag to procure some votes?  
 We think that's what it could be.  
 "Ye Editor"

About a year ago, we were informed by both Liberals and Conservatives that a wharf was to be built at Minden and that work would be started immediately.  
 Rumors were also afloat that the Gull River would be cleaned up and all submerged logs, which are a menace to motor boats, would be removed.  
 Political wheels move slowly but in these cases they appear to have stopped entirely.

**STOP THIS KILLING**

Once again the season is approaching when coroner's juries will be holding inquests into cases of accidental shootings.  
 Year after year one hears the same evidence in these Courts of Enquiry into the cause of death, the usual excuse — "I thought it was a deer". Such an excuse should no longer be allowed. In no way does a deer resemble a man and it is generally a crack shot who is the cause of the so called accident. One shot and a hunter is killed.  
 These shooting accidents which occur each hunting season are generally nothing more than sheer carelessness.  
 Some trigger-happy hunter sees a slight movement behind some bush and without a thought, he draws a bead and pulls the trigger, only to find that he has killed a fellow human. Just a little patience and investigation would have averted the tragedy, but some hunters must shoot, the moment anything moves in the bush.  
 A charge of manslaughter or criminal negligence should be laid against every person who deliberately shoots at an object without first finding out what he is shooting at and then, when it's too late, finds out that a human life has been snuffed out.

**Are We Fair To Our Visitors?**

(GUEST - EDITORIAL)

We have recently received two letters from tourists who have spent a happy summer in our midst. They praised the weather, the scenery and the hospitality. However, in spite of our beautiful lakes, our forest-clad slopes, our warm and friendly welcome; and all that Haliburton, and its environs offer the tourist, they felt that the cost of living in the Highlands was rather heavy.  
 We print this editorial not as a paragraph of criticism nor as a note of censure, but we feel that the public would like to know what our visitors are saying about us. We write this editorial without bias or blame.  
 Many visitors come amongst our midst in the summer months. The majority stay in lodges, some stay a night or so, and continue on their journey, but many also rent cottages, and these folk, with their families, try to get as good a holiday as they can within the family budget. They come from our larger centres of population and with their children, plan an outdoor holiday as economically as they can. Letters have been received from these tourists. They buy their food in the Highland villages and cook their own meals. They feel that the food prices are too great even for a resort region. One lady complained that a small tin of Grade I salmon was priced 49 cents. In Toronto the same article could be bought for 36 cents. She was prepared to prove the purchase.  
 The letter continues that one expects a little higher cost in articles due to the cost of transportation of goods and to the fact that tourist centres are inclined to make a little more profit during the summer months. But the difference in prices is too great.  
 What is the alternative? Tourists will come amongst us with their cars loaded with food and merchandize and enough to last them during their stay in our districts. Can we avoid this? Is there a happy medium? Can we compromise? Are we fair to ourselves and to our tourists? We leave you with these questions. You have the answers!

 Santa**

The Annual Santa Claus Parade in Ottawa has been cancelled this year because of increased cost of things. Inflation has actually hit Santa Claus and this year his floats parade & costumes will have to by - pass our capital city.  
 Ottawa's Board of Trade Manager states that floats & costumes would cost \$9,200, compared with last year's \$8,000.  
 It is a pity that such action has to be taken, because such treats are as much part of the Christmas Festivities as are cards, gifts and Xmas trees.

## WEST GUILFORD

By Mrs. D. M. Griffin

More Weddings! Charlie Morrison will marry Grace Fader of Maple Lake on October 20th. Both these young people are from our oldest and best known Settler families. We wish them joy and a long life among us.

All is quiet around the corner this week with the teachers away to convention and the pupils enjoying their last long holiday before Xmas.

Mr. and Mrs. George Jones are spending the holiday in Oshawa.

Some of us have our applications for the rural mail box. It looks like a sure thing now. Ask at the Post Office for your application form.

## THOUSANDS OF REDSTONE TROUT EGGS ARE DOOMED TO DESTRUCTION THIS FALL!

By Mrs. D. M. Griffin

We noted the other morning with sorrow, that the waters of the Redstone River had risen to flood proportion. This indicates that the water is being run off Redstone Lake which means, that any trout eggs, laid in the shallows now, will be dried up and ruined. The trout run, from Oct. 5 to Oct. 23, is at its height right now. This letting off the water in Oct. means, that any eggs laid in 2 ft. depth are doomed and even in the 3 ft. depth are uncertain. We watch this from year to year, with increasing dismay. Of what use is the stocking of lakes if the natural hatch be destroyed? One realizes that there is a need of water for Hydro etc south, a need to drain off surplus, to be ready for the spring flood, but could not some more scientific method be devised, that would conserve the trout of this district? From where we sit it would seem more reasonable to let off a flow gradually in the summer (not in large gushes, as too warm water kills the trout in the rivers), until October. From then, water in trout lakes, should be held at a constant level.

If there is too much water for the most southern reservoirs, let it be held by dams where the trout fishing ceases, and where it will not harm the spring spawning, pickerel, bass and lunge.

## West Guilford Community GUILD

By Mrs. D. M. Griffin

The West Guilford Community Guild, being unable to unlock the door of the school, were invited to hold their meeting on Thursday, at the home of Mrs. Lawrence Morrison. President Mrs. Cora Sawyer, opened the meeting with prayer, after which Mrs. Morrison played the piano to lead the hymn "What a Friend We Have in Jesus". Business of the meeting — It was decided to make a charge of 25 cents at the door at our social evening, on the last Thursday of the month, Oct. 29. A discussion of municipal affairs, which affect this community, then followed. It was suggested that lacking a councilman, the Guild might render the community a service, by organizing a meeting of the ratepayers of Guilford and Havelock. This would afford ratepayers a chance of openly discussing such matters as: The best method of obtaining a fair share in the management of our affairs, whether by a complete split with the municipality or by a revised system of electing representatives to the council and School Board; the composing of a list of items which the ratepayers wish to bring to the attention of the council or school board; and finally, to agree upon suitable candidates, to nominate for the council at the General Meeting in December.

A committee of the officers of the Guild were appointed, to ascertain if the ratepayers would be interested in such a meeting, and to fix a date, most convenient for them all.

Our special guest Mrs. Moore, a graduate of St. John's Hospital, Illinois, lately of Stony Creek, and recent owner of Felpark Lodge, Cameron Lake, gave a most interesting informal talk on nursing, mentioning the increasing use of the latest drugs in treatment of diseases, especially pneumonia. She stressed the fact that it was necessary for nurses to return to their hospitals for refresher courses in order to keep abreast of the improved methods in treatment.

The meeting closed with the usual social half hour and a delicious lunch was served by Mrs. Morrison.

# More people buy Chevrolets than any other car

You're "sitting pretty" when you get behind the wheel

First thing you'll notice is the quality of the interior. Rich-looking upholstery and appointments — color-matched to the exterior color. Chevrolet, you know, has the world-famous Body by Fisher — and you can certainly tell the difference in workmanship!

You'll find you get more power on less gas

Chevrolet's two great valve-in-head engines are high-compression engines. In Powerglide® models, you get the most powerful engine in Chevrolet's field — the new 115-h.p. "Blue-Flame." Gearshift models offer you the new 108-h.p. "Thrill-King" engine.

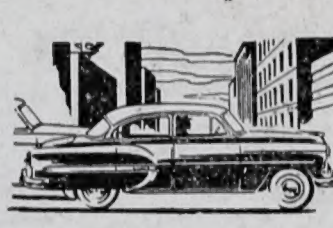

You'll discover it's the lowest-priced line

Chevrolet offers just about everything you could want. Yet it's the lowest-priced line in the low-price field. You can be ahead in every way with a new Chevrolet! \*Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.

You can even get Power Steering

You ought to try Power Steering to see how easy driving can be. Even standing still, you can spin the wheel with one finger! Yet there's nothing new to learn and you actually have safer control under all conditions. It's optional, of course, at extra cost.

You get greater getaway with the new Powerglide®

With Powerglide automatic transmission, you're automatically in "low" range for standing starts and for quick passing in city traffic. Then — automatically again — you slip smoothly into "cruising" range as you pick up speed.

Jumbo-Drum brakes give you smoother, easier stops

You'll feel safe and secure with these greatly improved Chevrolet brakes under your foot. An easy nudge on the brake pedal brings smooth, positive response — right now! With their 11-inch drums, Chevrolet brakes are extra large for extra safety.

## Our Trip to Drag Lake — Haliburton

A Diary kept by Mr J. C. Edwards, who made the trip with Willie Clarke in the fall of 1892.

Sept. 25 — Sunday

A very heavy dew and the lake like a mirror reflecting the rocks and trees to perfection.

Rose at 7 a. m. and got breakfast. Turned out my valise and put things strait, wrote a letter to mother. Will had a bathe in the lake and put two patches on his pants which he had burned badly at our camp on Moores Lake. Got dinner at 12.30, fried bacon and potatoes with apple sauce. In the afternoon I lay in the tent reading while Will got a good supply of wood, and very fortunate it was that he did, for about 4 p. m. it commenced to thunder and we could see we should have heavy weather, before very long, so I hurried up and had a good wash in the lake and put on clean shirt & socks and Will made up the fire and cooked some hot-cakes for tea.

At 5 o'clock a fearfully black cloud came over the lake which looked as it was going to drench us right off the island so we looked alive & got everything in the tent and piled a heap of big logs on the fire to keep it in. Just as we had got everything done and commenced our supper in the tent the storm broke right over us. It was the heaviest thunder storm, that I was ever out in, continuous lightning and very loud and crashing thunder with a perfect deluge of rain. This storm passed over and up the lake, but another one soon followed with if possible increased violence & continued for quite an hour. It rained steadily all night and just at breakfast it came down in torrents and our fire was put out.

Monday — Sept. 26

A pretty blue lookout this morning after the fearful rain last night, our fire out and everything drenched.

However, we managed to start another for we had put a little dry wood in the tent. After breakfast it cleared up and the sun came out so we turned everything out of the tent to dry and air. Packed up and made a start at 11 a. m. Very squally on the lake but we kept on the lee shore. Landed at 12 o'clock & had some bread, cheese & onions, then on up the lake and into Gull River and had about 4 miles of very hard paddling against the strong current to Minden, which we reached at 3.30. Engaged a team to draw us over to Cushog Lake, 3 miles for \$1.50.

Posted my letter and wrote a card to Charley. Bought a dozen Eggs and 2 loaves of bread. Ed Noice, the store-keeper kindly gave us a damaged lamp glass, the only one he had that would in any way fit our lantern, the glass of which we had broken. It was too high for our small lantern but Will cut it down in a novel way by putting it in cold water to the required height and passing a red hot wire around it just above the water when it cracked all around at that place and we got it to fit alright.

Got canoe and baggage loaded on a waggon rack and started at 5.10. On reaching the lake and unloading we found a hole stove in the canoe from a staple in the waggon. We were now in a fix and did not know what to do, when Will proposed that he should go back to Minden with the team and get some white lead and tacks and a

The teachers Mr. Hanthorn, Mrs. Hunter and Mr. Robertson are attending the Convention at Brantford. They will visit the Institute for the Blind, the Mohawk Chapel, the Bell Homestead and Telephone Building.

The W. A. of the United Church met at the home of Mrs. J. C. Walker. This was the first meeting held at the homes for some time and was much enjoyed by the 8 present.

The programme was as follows:

Hymn "Come Thou Fount of Every Blessing";

Prayer Mrs. G. W. Barr;

Minutes Mrs. Thos. McColl;

Business: Quilting to be held at Mrs. William Proctors in Irondale on Wednesday;

The next meeting will be held at Mrs. McAdams in November.

Scripture: Mrs. McAdam, Psalm 24;

Topic: Stewardship - by Mrs. Thos. Dovell;

Hymn - Topic: Mrs. Allan Madill on the writer Wm. Cooper, who also wrote the hymn "O, For a Closer Walk"

The hymn "What a Friend we have in Jesus" by Joseph Scriven was also discussed.

The meeting closed with the Mizpah after which a lunch was served by Mrs. Walker.

## WEDDING

### MITCHELL — ROBERTS

On Saturday, October 17th at 11 a. m. the Chapel of St. Anne's Anglican Church Toronto was the scene of the marriage of Olga Elaine Roberts of Haliburton, and Roderick Jack Mitchell of Toronto. The altar of the chapel was adorned with beautiful white chrysanthemums, and the Rev. C. D. Gemmill officiated. The wedding music was played by Mr. John Bradley, at the chapel organ.

The bride, given in marriage by her brother Lewis Roberts of Eagle Lake, wore a dress of navy blue crepe and iridescent taffeta with matching jacket. Her corsage was American Beauty red roses and white baby chrysanthemums and she carried a white prayer book. The maid of honour Miss Gloria Clare of Toronto, was dressed in light blue and grey taffeta and her flowers were deep pink roses and white chrysanthemums. Mr. Laurie Burr, formerly of Ilford England, now Toronto, was groomsmen.

The reception which followed was held at the Town and Country Club. After the reception the happy couple left for a motor trip touring parts of Canada and the U.S.A. The bride changed to a grey suit with navy accessories before leaving on the honeymoon trip.

## GELERT

Mr. and Mrs. John Kemp of Toronto visited the past week with Miss Dorothy Kemp at their cottage.

Miss E. Audrey Chase attended Teacher's Convention in Brantford last week.

Mrs. Robert Walker was a visitor in Haliburton on Thur.

Messrs. Francis Sedgwick of Lindsay and Victor Sedgwick of Fenelon Falls spent the weekend at their home here.

Mr. and Mrs. Art Graham and boys of Toronto visited the former's parents Mr. and Mrs. Roy Graham last weekend.

Mr. & Mrs. Wallace Smith of Keene spent Saturday visiting relatives in Dutch Line and Gelert.

Several from here attended the Annual Fowl Supper at Lochlin United Church and as usual the ladies outdone themselves with the well laden tables.

Congratulations to Marie Congdon of Lochlin and Mr. Walter Bacon of Furnace Falls, who were married last Saturday. A number of relatives and friends were at the reception held in Minden Recreation Centre that evening and wishing them much luck.

The second card party of the season was held last Friday evening in the "Hall". A very enjoyable evening was spent with the prizes going to Ladies Miss Dorothy Peacock, Gents to Joe Peacock. Come on, folks watch for the next bill announcing a "Euchre Party" and join in the shuffle.

The local Red Cross held the first meeting for the forthcoming season at the home of Miss Gladys Hornell on Monday evening. Only a few ladies were in attendance, and as usual their main item was quilts of which they contributed many during the last week. This season they hope to keep up to their standards. They need more assistance at quiltings, if you can't quilt ladies, well, there thread a needle. Don't forget the next Red Cross Quilting needs needles, needless to say.

Mr. & Mrs. Carl Francis & children, also Francis Walker visited Algonquin Park on Sunday.

Mr. and Mrs. Robert Dale and daughter of Argyle visited with Mr. and Mrs. Ted Francis over the weekend.

Mr. Lloyd Sedgwick of Toronto visited his family here over the weekend.
